SB KNOCKOUT

A BATTLE TO GLORY

IEEE FISAT SB

IEEE FISAT SB took its root in Nov 2003 and was initialized by Shri.S Gopakumar, the Student Activities Chairman and IEEE gold member Shri.Varghese Cherian.

IEEE Student Branch conduct various programmes such as Tech Talks, Management session, Seminars and so on. Consistently we have in excess of 100 new IEEE enrollments every year and our chapter has been rated among the top 5 active student branches in Kerala Section.

REBOOT KERALA HACKATHON 2020

SB KNOCKOUT

A BATTLE TO GLORY

Be brave, take risks, and show us your title.

We, IEEE FISAT SB challenges every SB's out there (oops.. only applicable to SB's in India) to put up their best teams (of 7 members) to showcase their talents. The Battle isn't just about your technical expertise but also about your managerial skill. It won't be an easy task, you will have to hunt down different paths. And your first set of tasks will be online and the rest remains a mystery. Let's see who has the willpower to take away the title and roar like the lion.

Project: Negotiation

SB KNOCKOUT
A BATTLE TO GLORY

We present you Project:Negotiation, a gladiatorial combat of intellects. Two individuals of a team will be battling with another team with their power of words. It will be a live debate competition conducted via virtual platform. Show the world that your sound need to be heard!

Codage

Put own your coding hats coz' it's time to showcase your coding talent. A 24 hr coding competition where there are no limitations. You are free to choose any programing language of your taste.

LEVEL 1

Proyek

Proyek is a project report submission where you have the freedom to choose the topic of your field. Only one project submission is allowed under each SB, also the project should be in a prototype model. Under expert panel evaluation, the projects will be awarded points.

Oracio

You are welcome to showcase your oratory skills through our event Oracio. An individual from each SB is only allowed to participate. All you have to do is talk for a minute under the topic provided by us and then take a video and upload your submission.
